Strengths

Oral and written communication.

Reliable and consistent.

Committed to learning.

Team player.

My name is Teboho, an I.T graduate of NWU (vaal triangle campus) and my final year was in 2021, graduation will be in 2022.

I'm one energetic person and I like to get things done in time. I'm creative and problem solving oriented. I enjoy communicating and working with other people because I get to learn different things from different people and I love learning, because I believe that if you know more you can be more as an individual.
